Wage Board Plans Meeting

All citizens of the town will have a chance to discuss the proposed personnel and wage by-law, during the course of an open meeting Feb. 20 in the Memorial Hall library.

The 8 o'clock session is being sponsored by the Wage Board to give all interested citizens an opportunity to ask questions about Article Three of the town meeting warrant.

In a report covering its activities, the Wage Board has set forth these reasons why it believes the classification and compensation plan are valuable to the town:

To The Town
There will be a definite pay structure; officials can tell how the general pay level compares with similar positions outside town service.

Provides definite basis for granting pay increases, assuring equal treatment of personnel;

All-Girl Band Plans Events

Four major appearances have tentatively been scheduled for the All-Girls Band during the spring and summer of 1958.

The band will present a joint concert with the Andover Male Choir in April; take part in a music festival in Winchester May 3; march and play in the annual Memorial Day parade here and take part in the Hampton Beach festival in the summer.

And if town meeting takes favorable action, Band members may be wearing new uniforms in 1958. The School Committee has included \$5000 in its budget for Band purposes, including replacement of uniforms. A Band Parents' Association has recently been formed, with the purpose of helping the Band in many ways. Money raised by the group may be used for replacement of instruments and to meet other financial problems; and mothers of Band members have undertaken to provide chaperones for every out-of-town trip.

The Band started in the fall of 1939 under the personal direction of Mrs. Miriam McArdle, the present supervisor of music in the

Will Observe Day Of Prayer

A community-wide observance of the World Day of Prayer is planned for Feb. 21 by the United Church Women of Andover.

A special service at 8 p.m. in the West Parish Church will hear the Rev. Ernest W. Hayhow, a missionary on the island of Ponape in the Carolines.

And throughout that day, the Andover Baptist Church will be open to persons wishing to worship and pray. Members of that church will be present to greet worshippers and present them with

Ten Troop 75 Scouts Received Highest Possible Scouting Award

Pike Pupils Planning Play

Forty-two Pike School students are in rehearsals these days for their spring production "Pirates of Penzance".

The play will be offered for adults the evening of March 7 in No. Andover High School. And on Saturday morning at 10:30 the cast will repeat its performance of the Gilbert and Sullivan comedy for a younger audience. Adults may, however, attend this performance if they desire. Curtain time for the evening performance is 8:15 p.m.

R. L. Symonds is directing the production and Mrs. John N. Cole is assisting with the musical arrangement. Donald Amy, the school's musical director, is drilling the boys and girls in their parts during their weekly class sessions.

Mrs. Jerome Cross is designing the stage settings; Mrs. Douglas

Ten Scouts from Troop 75 received the coveted "Ad Altare Dei" medal — the highest award in Catholic scouting — from Most Rev. Richard J. Cushing, archbishop of Boston, last Sunday.

The Scouts were honored locally during a communion breakfast of Troop 75 and Cub Pack 75. The group, with their leaders, attended Mass and received Communion in a body Sunday morning.

The Scouts receiving the high award were Richard Zupardi, John Barry, Robert Ready, John Milne, Daniel Cronin, James Prout, John O'Connor, William McCarthy, Ronald McAllister and George Donegan. Joseph McCarthy, a veteran of 30 years in scouting work, presented each of the boys with a Missal and John Hewitt, president of the Catholic Men's Club, announced that all future winners will receive a Missal from the Club.

Very Rev. Henry B. Smith, O.S.A., pastor, greeted the scouts, their leaders and their families, who attended as guests.

Bloodmobile Here 2 Days In March

Members of the Andover Red Cross Blood Committee gathered in light snow before the traditional "Bloodmobile Days" sign in front of the library last Saturday to signal the Town's latest drive for donors.

The Bloodmobile will be at the South Church Tuesday and Wednesday, March 4 and 5, between the hours of one and seven in the afternoon. Chairman Robert S. Zollner announced.

In connection with the blood program, Mr. Zollner, Barbara Loomer, the Chapter's executive secretary and committee members David Cutler, Mary Sherman, Albert N. Wade and Mrs. Roger H. Whitcomb attended a meeting of

Offers \$5000 To Town For Center Revitalization

The Merrimack Valley National Bank has agreed to give \$5000 to the town, to be used generally to assist the town in a program to revitalize its retail center.

But in making its offer, the bank directors insisted that "a commensurate amount" be raised for the same purpose by other inter-

ested, private sources.

Announcement of the offer came shortly before a scheduled meeting of the Board of Trade, where the bank's offer was discussed. The Trade Board, meeting Wednesday afternoon, was asked to cooperate.

The bank defined its offer this way:

"The money has been offered to the town to be used towards the creation and execution of an

SUSPENDED ANIMATION — Frank Leone's camera stopped these Andover and Methuen cagers as they went up for a rebound during the Methuen-Andover tilt last Friday night. In a thrill-packed game, spectators saw Methuen overcome a 10 point deficit with only 2½ minutes left in the game and win, 53-52, on a clutch shot, just as the buzzer sounded. Andover's captain John Giovinco, right, scored 15 points for the locals. After the rebound are Glenn Williams and George Ziegro.

Two Injured In 2-Car Collision

A two-car collision at the juncture of Essex st. and Shawsheen rd. Monday morning sent two men to the Lawrence General Hospital.

The early morning crash, police said, occurred as a car heading down Shawsheen rd., with the intention of turning onto Essex st., swerved across the road and hit a car going in the opposite direction.

Police Sgt. William Hickey said Robert West, 6 Shawsheen rd. said he was blinded by sunlight and veered across Shawsheen rd. as he started to make the turn. Henry Wagner, 14 Ridge st., was the driver of the other car, Hickey said. Both vehicles were damaged and towed away, while the two operators were taken to the hospital for treatment. Hickey said neither appeared seriously injured.

GOURMET "STEALS"

BY
BETTY BLAISDELL

It's really foolish not to follow closely "market plentiful" for the month and use them as a definite guide for menu building. This is the sort of wisdom that is just beginning to come through to me, for, I suppose, economy where

food buying is concerned is not one of my strong points. Aside from the economy angle, however, market plentiful are generally foods at the peak of their goodness — as, for instance, pork roasts — a thrifty seasonal special which will never be better, more tender than now, during February and oncoming March.

No fancying up is necessary for a good center cut of the pork loin. Mine, roasted for Tuesday's dinner, couldn't have been more delicious and I merely followed the usual rule of roasting it under a low oven temperature — 325 degrees. Higher than that you'll have tougher meat and a fat-splattered oven to clean afterwards, believe me.

Food specialists say that pork is safely done when all traces of

pink color have disappeared and one check on doneness is to insert a fork deep into the thickest part of the piece and make sure that the juice it draws out has no trace of pink.

For garnishing the pork roast, three other market plentifuls — dried prunes (cooked, of course), canned apricots, baked apple slices. Still lots of wonderful apples from the big fall crop!

AMERICAN CHOP SUEY

This is a good mid-winter dish to cook up for the kids, just home from the hockey rink, maybe. Last week, as a change from my usual choice of a seafood casserole for the bridge club, I served it along with a green tossed salad and hot rolls. Want to try it?

- 1/2 lb. elbow macaroni
- 1 1/2 lbs. ground round steak
- 2 cans condensed tomato soup
- 1/4 lb. mushrooms
- 1 tsp. salt
- 1/8 tsp. ground pepper
- 1/2 minced green pepper
- 1 stalk chopped celery
- 1 onion, finely cut
- Oregano
- 1/8 lb. butter
- Bread crumbs
- Parmesan cheese
- Paprika

Cook the macaroni according to directions on the package. Drain. While this is cooking, saute sliced mushrooms in butter, remove from pan, reserving the fat for sauteing the green pepper, celery and onion. Allow to brown slightly and cook rather thoroughly, adding a bit of water for moisture if necessary. Into this brown the meat, breaking it up with your spatula. Season with salt, pepper; add the tomato soup. Stir until well mixed and add the sauteed mushrooms. Test for seasonings (this is where I get gay and add a bit here and there which are not worth mentioning). If the kids are to eat it I use all possible discretion in the herb department, forget the mushrooms, blend the meat mixture with the macaroni and bring to a bubbling heat just before meal time. Serving to guests, however, I grease a casserole, layer the macaroni with a light sprinkling of oregano, put in half the meat mixture, then repeat, top with buttered crumbs. Parmesan cheese and paprika. Bake in 400 degree oven

for 1/2 hour.

"SIX CUP" PUDDING (Miss Mabel Marshall)

Among Miss Marshall's many accomplishments is a good knack for cooking. This is a very old Scottish family recipe of hers

which makes a delicious winter-time dessert — equally good hot or cold, served with a generous dab of hard sauce.

- 1 cup suet
- 1 cup sugar
- 1 cup flour
- 1 cup seedless raisins
- 1 cup bread crumbs
- 1 cup milk
- 1/2 cup chopped walnuts
- 1 tsp. cinnamon
- pinch of salt
- 1/2 tsp. cloves
- 1/2 tsp. nutmeg
- 1/2 tsp. soda
- 2 tsp. baking powder

Sift all dry ingredients, stir in the crumbs, raisins, suet and walnuts, blend thoroughly with milk. Turn into a mold and steam under a rolling boil for 1 hour. Decrease heat and continue steaming for another hour or more. When the pudding recedes from the mold it is done.

DEVILED SEAFOOD (Mrs. P. Hayden Clark)

This is wonderful! I was saving the recipe for Lent but you can do this if you like, for I don't want to risk losing it.

- 1 lb. lobster meat or shrimps
- 1 lb. scallops
- 1 lb. fillet haddock
- 8 Tbl. butter or other fat
- 9 Tbl. flour
- 1 cup evaporated milk
- 1/2 cups whole milk
- 1 cup consommé
- 1 Tbl. lemon juice
- 1 Tbl. Worcestershire sauce
- 4 Tbl. ketchup
- 1 Tbl. prepared horseradish
- 1 tsp. prepared mustard
- 1 crushed clove garlic
- salt to taste
- 2 tsp. Gourmet powder
- 1/8 tsp. cayenne
- 1/4 cup sherry
- buttered bread crumbs

In greased double boiler put the scallops and haddock, cover and steam 20 minutes. When cool, cut into bite-size pieces. Heat the evaporated milk, whole milk and consommé. Into frying pan melt the 8 tablespoons shortening and blend in the 9 tablespoons flour, add slowly to roux and cook until thick. Add the lemon juice, sherry and other seasonings, then the cooked lobster meat or shrimps or use both lobster and shrimps. Allow to blend, test for seasonings and place in a buttered casserole. Top with crumbs and bake in a 400 degree oven for 30 minutes. Serves 8.

The Ballardvale Outing Club will hold a square dance in the Community Room Saturday evening, starting at 8 o'clock.

November Club To Hear Lecturer

MISS ANNE GUTHRIE

A treat is in store for members of the November Club at their meeting at three o'clock Feb. 17, in the clubhouse on Locke st.

Miss Anne Guthrie, representative of the International Alliance of Women to the Economic and Social Council of the United Nations and member of the Speakers' Research Committee of the U.N., will speak. She is a world traveler, having lived for a time in South America and in the Far East. She most recently has spent some time in visiting Dr. Albert Schweitzer at his hospital compound in Africa. It is by popular request that she is speaking on this visit with one of the great men of our time. Her subject is "Dr. Albert Schweitzer and his Hospital Village".

Tea will be served following the lecture.

Dr. Banta Will Present Concert

Doctor Lorene Banta, organist of Phillips Academy, will present a program of 20th century organ music on the 100 voice, four manual Casavant organ in the Martha Cochran Chapel at 3:30 p.m. Sunday, Feb. 16.

The concert will include works by such famous contemporary composers as Hindemith, Vaughan-Williams, Dupre, Milhaud, and Sowerby. It is open to the public without charge.

Those who have heard Dr. Banta when she has played the magnificent organ in the Cochran Chapel have been unanimously enthusiastic about her excellent technical facility and musicianly interpretation.

Since early youth she studied both piano and organ with her mother, who was formerly on the faculty of the present American Conservatory of Music in Chicago. She has twice been presented in churches in Cleveland and Washington, D.C. and has presented recital programs at Queens College in Charlotte, N.C.

Dr. Banta studied with Albert Riemenschneider, who, until his recent death, was nationally acclaimed as an authority on the music and interpretation of Bach. She was also a member of his master class in organ playing.

The concert has been arranged to coincide with the last day of the present exhibit at the Addison Gallery of Art, which closes at 5:30 Feb. 16. A special section of the exhibit is devoted to 20th century paintings.

The variety of compositional styles in both art and music of this century can be compared by those who wish to visit the Gallery before or after the concert.

WHICH GIRL PASSED THE N.P.* TEST?

NINETY PERCENT

The poised young woman at the right of course. You can tell at a glance... and that's why the Ninety-Percent Test is so important. Adults judge even children (and children judge each other) by what they see. It's true that clothes may create slightly less than 90% of the impression Juniors make, but the test is just as important.

Another point to remember. Because children's clothes become so grimy so quickly, it's especially important to have them drycleaned regularly and often. (This kind of care carries a built-in bonus. In addition to looking fresher, drycleaned clothes last longer.)

the Massachusetts Blood Program's Northeastern District at the Century House in Danvers Wednesday, Feb. 5, at which Dr. Robert R. Gross of Children's Hospital spoke on open heart surgery. Dr. Gross stressed the great need for blood for this kind of operation, which has only recently been perfected and now gives a new lease on life to many who could not otherwise expect to live to adulthood.

Appointment of precinct captains to organize house-to-house recruitment for the March Bloodmobile has been announced by Miss Mary Sherman, Mrs. R.M. Cole and Mrs.

Phillips B. Marsden Jr. will be in charge of Precinct 1; Mrs. William C. MacAdam, Precinct 2; Mrs. Hollis P. Fowler, Precinct 3; Mrs. Chester J.S. Harnden, Precinct 4; Mrs. Franklin K. Haggerty, Precinct 5; and Mrs. Gerald M. Cornwell, Precinct 6. They are enlisting the aid of many volunteer workers in hopes that every eligible donor will be contacted during the week of Feb. 17. If, through oversight, any prospective donor is not called, he or she may telephone Red Cross Headquarters.

The committee is again grateful to local doctors for their willingness to give of their time at the Bloodmobile. Doctors who have volunteered to be in attendance in

March are Michael Gravelesse, M.D.; Harry C. East, M.D.; Donald M. Clark, M.D.; and John T. Batal, M.D.

MANY CONFUSED OVER PLANNING BOARD VOTE

Considerable confusion about the vote of the Planning Board, in reference to off-street parking, arose last week after a joint meeting of town officials.

Many believed the Board had announced its approval of two articles, totaling \$100,000 for off-street parking, by a unanimous vote.

Members of the Planning Board, except Fredric O'Brien who is away, voted to approve spending \$100,000 for the acquisition of land for municipal uses. The vote did not specify off-street parking and it required that the Finance Committee and Planning Board approve the expenditures before they can be made.

Some members, formerly opposed to the off-street parking proposals, remain opposed and voted only to approve appropriating funds for land for municipal betterment.

Barrie Hogan Heads Council

The students of The Pike School, a country day school in Andover, have recently completed their elections of officers for the rest of the school year.

Barrie Hogan is president of the Student Council. The vice president is Bruce Randolph; secretary, Carolyn Laaff and Lee Sherman is treasurer.

In addition to the officers, elected by pupils of grades five through eight, the student government is composed of representatives of each home room or grade. Eighth grade representatives are Dan Sullivan, Natalie Gillingham and Wardner Randolph. Seventh grade representatives are Hilary Hayes and Martha Darling. Ray Kellett and Jacqueline Meyers represent the sixth grade and Mac McCabe and Julie Harriman represent the fifth grade.

Duties of the officers and the representatives include the planning and management of student dances and other social affairs, the superintending of various committees such as House and Grounds and Transportation. The officers plan and conduct a student meeting each Friday during the regular assembly period. Student volunteers for cafeteria service are assigned duty by the students' government.

ELECTION OF OFFICERS IN TROOP 59

The regular meeting of Brownie Troop 59 was held in the Scout Room last Wednesday afternoon. Following the flag ceremony, an election of officers was held with these results: president, Ann Moss; vice president, Elaine Lampariello; secretary, Christine Walent, treasurer, Judy Smeltzer. During the social hour, the girls made valentines for their party, which will be held this week.

Weddings...

Giovinco Sisters Wed Brothers

CUOZZO — GIOVINCO

St. Augustine's Church was the scene of a pretty winter double wedding, Feb. 1, at 3:30 o'clock, when Miss Rose Giovinco, became the bride of Alfonso Cuozzo and her sister, Miss Eva Marie Giovinco, became the bride of Alfonso's brother, Michael Cuozzo. The bride's are the daughters of Mr. and Mrs. Pasquale Giovinco, 1 Ayer st., while the bridegroom's are the sons of Mr. and Mrs. Frank Cuozzo, 499 Mountain ave., No. Caldwell, N.J. The Rev. James A. Wenzel, O.S.A., officiated before an altar arranged with white gladioli. Frank McCarthy was the soloist and Miss Mary F. Lanigan presided at the organ.

Escorted by her father, Miss Rose Giovinco wore a gown of Italian silk with round neck applied in pearls and sequins and a pearl trimmed bouffant skirt terminating in a chapel train. Miss Eva Marie Giovinco, also given in marriage by her father, chose a gown of Italian silk styled with round neck trimmed with pearls, short sleeves and wore long kid gloves. The skirt was bell shaped and had a chapel train. Both wore fingertip veils of illusion attached to crowns of orange blossoms and carried ivory roses.

As matron of honor for Miss Rose Giovinco, Mrs. Anthony Tantillo of New York, chose a waltz length gown of ruby red Italian silk made with fitted bodice and bell shaped skirt. Mrs. Walter Lloyd of Andover attended her sister, Miss Eva Marie Giovinco. Her gown matched the other attendants and both wore pillbox hats trimmed with feathers and veiling and carried white carnations and ivy.

Charles A. Giovinco of Andover performed best man duties for both bridegrooms and the ushers were Anthony Tantillo of New York, Walter Lloyd and John Giovinco, both of Andover.

A reception was held in the Louis XIV Ballroom of the Hotel Somerset, Boston, with many out of town guests attending. After a wedding trip to Europe both couple's will reside in New Jersey.

Mrs. Alfonso Cuozzo was graduated from the New York public schools while her sister, Mrs. Michael Cuozzo, was graduated from Pynchard High School and Boston University. Both bride-

groom's attended the Bloomfield, N.J. Schools. They are building contractors and land developers in New Jersey.

WELCH — BAMFORD

At a 10 o'clock nuptial Mass in St. Michael's Church, No. Andover, last Saturday morning, Miss Edith Anne Bamford, daughter of Mr. and Mrs. H. Russell Bamford, 5 Woodland rd., became the bride of Bernard Charles Welch, son of Mr. and Mrs. John B. Welch, 118 Hurdreths rd., Wellesley Hills. The Rev. James T. McDonald officiated.

Given in marriage by her father, the bride chose a gown of antique ivory pure silk satin with a circlet neckline, appliqued with Alencon lace, in a fitted bodice, bracelet sleeves and a full circular skirt with the same motif as the bodice in Alencon lace and seed pearls. Her fingertip veil of silk illusion was attached to a tiny hat fashioned of the same materials as her gown and she carried a cascade arrangement of white roses and ivy.

The bridal attendants included Miss Marian Bamford as maid of honor and Miss Roberta Bamford as bridesmaid for their sister. Their gowns were of taffeta with nylon eyelet overskirts and cummerbunds with back bustle bows. The honor attendant wore deep pink and carried deep pink carnations combined with ivy in a cascade arrangement. The bridesmaid was in pale pink and her bouquet of carnations and ivy was in a matching shade of pink.

Peter C. Welch of Cambridge was best man for his brother and the ushers were John B. Welch Jr., of Wellesley Hills, Richard L. Welch of Cambridge and Gilbert R. Bamford, brothers of the couple.

A reception for the immediate families was held at the home of the bride's parents. After a trip by plane to Jamaica, the couple will live in Cambridge.

The bride graduated from Simmons College and Boston University. The bridegroom is a graduate of Phillips Academy, Harvard College and Harvard Law School and is a practicing attorney.

Make Your Home A Safer Place

Housecleaning?

From the fire-safety angle, the National Board of Fire Underwriters suggests starting in the basement, where many hazards exist.

Rubbish—old magazines and newspapers, furniture, old rags and other things are combustibles. Get rid of them.

Furnace—it's dangerous when dirty. Have it cleaned regularly. Don't put off necessary repairs.

Living-Room—your television set, if placed too close to wall, may become a fire hazard. (Never tinker with it and be careful not to cover up the ventilating holes that dispose of accumulated heat.)

Misuse of electricity—accounts for 15 per cent of all fires in the home. Best check all your electrical appliances, including irons, waffle irons, mixers, heaters, lamps, fans, radio and other devices. Make sure that the cords are in good condition, that they bear the little UL tag that denotes listing by Underwriters' Laboratories, Inc.

Multiple attachment plugs—a serious danger in overloading circuits. All rooms should have an adequate number of outlets to take care of all electrical appliances.

Flexible extension cords—should be in the open (none placed under rugs or over hooks) and only 15 ampere fuses for your household lighting circuits.

More Play Space

Cleaning up vacant lots in your neighborhood will provide more play space for children, eliminate serious fire hazards as well.

Recently, a civic association in a big city organized brigades to do such a job. Armed with brooms, brushes, mops, pails and garden tools, 150 adults and children cleaned up vacant lots, therein planted flowers and vegetables, and even swept gutters under parked cars.

In other communities, school students wrote and produced plays on the clean-up theme, took part in poster contests, wrote slogans, composed songs. The posters and slogans were displayed in neighborhood store windows, the songs sung in school assemblies.

Some school students went even further—staged spring clean-up parades complete with floats, marchers and bands.

A Lenten Message

The Rev. Frederick B. Noss, Minister
South Church In Andover

"He who finds his life will lose it, and he who loses his life for my sake will find it." St. Matthew 10:39

Traditionally Lent is a time of sacrifice, a time in which people give up luxuries and soft living in order, through austerity, to share the suffering of Jesus on his way to Calvary. Sometimes people do this sincerely. They will even use the money they save for a pet charity. Or, even better, they take the time they save to accomplish something great and good which they are usually "too busy" to do at other times.

I would suggest that this year all of us ponder the warning Jesus gave his followers about losing their lives. Ponder it in the light of the preoccupation of our government with the saving of the life of this country at any cost, particularly by the use of atomic explosions, "massive retaliation", brink of war diplomacy, and other sublimely selfish means for self-preservation. Who gave us permission to poison the air of the whole world with our

experiments? Who empowered us to use the sea, which belongs to every one, as a dump for atomic wastes? Just what are we proposing to save when we threaten to make all life on this planet impossible? We who daily boast that "under God" we believe in liberty and justice for all, are actually proposing to involve all mankind in a common ruin whenever we think we are endangered.

Ponder these questions. Do you really think we can find life this way? Are we not certain to lose it? Would you not much rather have your country, truly under God, lose its life for His sake and so find it? Have you any real faith in God? Does the death of Jesus for the redemption of all men spell out the pattern for your life? Or do you think the Devil a safer guide? Or do you propose to waste another Lent by giving up candy or some other trifle, while around you the battle already rages, a battle whose smoke never clears, and whose rain, unseen, gentle, lethal, falls steadily upon land and sea? Do you want life badly enough to choose it while there is still time?

EDITORIAL THOUGHTS

Parking Needed Now

Off-street parking in the down-town area, for the convenience of shoppers, must be considered as a vital town improvement.

Articles calling for the expenditure of \$100,000 in the town meeting warrant should be approved overwhelmingly — for there is a great and pressing need for parking facilities in the town's shopping area.

It has been amply demonstrated that shoppers can not find a place to park their cars during peak shopping hours. It certainly is true that, at other times, there are spaces to park along the street — but this is not a contradiction or our position. Rather, we feel that parking for the convenience of all residents of the community, at whatever time they choose to come down to the Main st. area to shop, should be available. As it happens in most communities, residents here seem to shop at the same times, leading to constant parking problems that are vexing to the resident.

This situation can be remedied; it must be remedied quickly. The acute problem will not grow less important if we, like the ostrich, refuse to see it. Nor will the problem be solved if we accept a "study" proposal — one of the surest ways to put off something that needs to be done. There is only one answer.

Parking for shoppers' convenience, in the immediate down-town area, must be provided at an early date. The first step is to appropriate money for it at the town meeting. Let's take that step March 8 and then go forward with the project so that parking can be available at the earliest possible date.

Messages Worth Reading

Starting in this issue of the Andover TOWNSMAN is a series of eight Lenten messages from clergymen of the community.

We urge you to read them well during this period of time and ponder their significance to each one of us.

We are grateful to the clergy — the Rev. Frederick B. Noss, pastor of South Church; the Rev. Hugh B. Penney, pastor of West Parish Church; Very Rev. Henry B. Smith, O.S.A., pastor of St. Augustine's Church; the Rev. Ralph Rosenblad, pastor of the Ballard Vale United Church; the Rev. Donald Ryder, pastor of the Andover Baptist Church; the Rev. Horace Seldon, pastor of the Free Church; the Rev. John Moses, rector of Christ Church and the Rev. Ernest A. Brown Jr., pastor of the North Parish Church.

Their messages are well worth reading.

Judge Them On The Issues

In this and next week's issues of the TOWNSMAN, statements from candidates for major offices, where competition exists, will be presented for your consideration.

This newspaper asked the candidates to answer specific questions — with the purpose of putting each candidate on the spot, by having to state precise answers to speci-

fic questions. This, we believe, gives every voter an opportunity to judge on the basis of issues, rather than just personality.

We posed the same questions to candidates for the same office, giving all a fair chance to answer them and have their statements printed intact.

To the best of our ability, statements from candidates for the same office will all be used the same week, so that all of you can compare the answers they gave.

We suggest you give some weight to their answers, for we have tried to ask questions that will give you a definite idea as to where the candidate stands on current problems.

In the two-week period, we will furnish statements from candidates for Selectman-Assessor, Board of Public Works, Planning Board and School Committee.

Down the Years with The Townsman

50 Years Ago — February, 1908

John Sweeney the plumber has had his residence connected by telephone.

Mrs. Joseph Smith is having her ice house filled with the fine ice from Pomp's Pond. The ice there is at least 12 inches thick and very clear.

The Andover Brass Band held an enjoyable dance in the town house last Friday evening.

Before a company of over 100 invited guests, the new Guild gymnasium was formally opened Tuesday afternoon. Alfred L. Ripley represented the local board of directors.

Judge Poor, as executor, has paid to the treasurer of the Village Improvement Society, the sum of \$1000, the bequest of the late T. Augustus Holt.

The Seaman's Friend Society was entertained last evening by Mrs. Anna Paddock and the Misses Ella Holt, Clara Putnam and Angie Burr.

The Rev. Frederic Palmer has been re-elected president of the Harvard Club, which met last night. Other officers are W. G. Goldsmith, vice president and Henry G. Tyler, secretary-treasurer.

25 Years Ago — February, 1933

The annual town warrant contains 19 articles, seeking \$83,522. Included in the articles is a request for \$1000 for traffic lights at Chestnut st. and purchase of the village park.

The president of the Massachusetts Parent Teacher Association, Mrs. George C. Hoague, spoke to the Shawsheen PTA Wednesday Evening.

A five-year-old girl was struck by a truck on No. Main st. Monday afternoon. She is reported as making slow recovery in the hospital.

Frederick Butler has donated has \$10 fee as moderator of the special town meeting to the Emergency Committee. He is the sole candidate for that post at the

annual election.

The annual policemen's concert and dance will be held tonight in the town hall.

The local post of the American Legion will stage a monster charity whist Feb. 27 in the town hall. The entire proceeds are going to the Emergency Committee.

A very enjoyable time was held Wednesday when the annual Christ Church choir supper was held. John D. Newell 3rd, choirmaster and organist, distributed books to the boys who achieved perfect attendance.

What Our Readers Say—

To the Editor of the Townsman: I am writing you in reference to the proposed shopping center in West Andover.

I do not think the views of the residents of this section of town have been brought to the attention of the rest of the townspeople. Most of the residents of this area came out here because we liked the rural setting and we have hardly become settled when a shopping center is proposed for our immediate neighborhood.

Several weeks ago you published a report by a research firm paid for by the promoters of this project. It is my opinion that this report came as near to being negative as any consulting firm could get. Therefore if the proposed first line do not make out in this area, we would be saddled with the less desirable establishments such as gas stations, drive-in ice cream stands and drive-in theatres, all of which create problems of extra traffic and litter.

"It is felt that the people should wait at least a year until Route 28 is completed and the traffic flow is established, before taking action on this article."

"The article as proposed will

let the Planning Board put a shopping center wherever they see fit. This could lead to spot zoning, which is a most undesirable condition."

Edward Warwick

To the Editor of the Townsman: "Recently we bought a home in West Andover. At the time of purchase we understood the section was to be strictly residential. We now find steps are being taken to rezone the district in order to accommodate a 'shopping center'. We object strongly to the rezoning of the section for any business whatsoever."

"Although we are directly affected by these plans we are unable to vote, or even attend town meeting to voice our objections, because we have not been here the required six months. There are other new homes in the section whose owners are in the same position. Inasmuch as we are so directly affected by this move, it would seem only fair that any action be postponed until we are in a position to vote, or some consideration be given us at this time."

Movies At The Library

A special movie for boys and girls of Andover and Ballardvale will be shown in the Memorial Hall Library Feb. 17 at 3:35. This is a long story running an hour and a quarter, of two boys and a family living on a Swedish farm amidst the Northern wild life. They rescue and tame an otter, hiding it in an unused hayloft during the winter. All are most welcome to attend, specially children from third grade through Junior High. No tickets are necessary.

Great Books

The next reading for the Great Book Discussion Group will be parts 4 and 5 of Spinoza's "Ethics." The meetings are held on Tuesday evenings, every other week, at 7:45 o'clock. This meeting, Feb. 18, will be the third study of Spinoza.

Littlest Listeners

A movie will be shown to mothers at the Feb. 19 meeting of the Robins group at the library. "In Paris Parks", in color, is a personal view and study of children and their spontaneous behavior in a Paris park. This film has no narration but uses the elements of color and music for added emphasis and texture. Any mother is welcome to attend.

Pioneer Story Hour

All young people are invited to a story hour to be held at the Memorial Hall Library on Thursday afternoon, Feb. 20, at 3:35 o'clock. "Pioneers All" is the subject of the program. Miss Margaret Lane, Children's Librarian, will tell the following stories: "Strong But Quirky", "Peregrine White" and "Virginia Dare", "The Rescue Of John Sager", "A Birthday And A Strange Arrival" and "Bear Hunt" and "Indian Fighter".

PERSONALS

Candidates

In an effort to provide information for the voters on the thinking of candidates for public office, the Andover TOWNSMAN this week asked candidates for major offices to answer a few specific questions.

This newspaper felt that the answers to the questions would further assist the town's voters as they begin to make up their minds prior to voting March 3. Identical questions were asked each candidate for the same office, and the candidates' statements are printed in full.

In this week's paper, we presented the statements of candidates for Selectman-Assessor, School Committee. Next week we will present statements of candidates for the Planning Board and Board of Public Works.

SCHOOL COMMITTEE

These are the questions of each candidate for the Committee:

1. What is your exact position on teachers' pays in relation to the proposed increases and method of giving them?

2. How do you feel about the proposed studies of curriculum in the school system as a whole? Do you think that there are improvements to be made?

3. Do you feel that the School Committee has spent enough time on building problems? Should committees be employed intensively in this regard?

4. Briefly, what in your opinion are the major problems facing the School Committee this year? Do you have suggestions for their solution?

Now here are the answers written by the candidates presented in the order in which the candidate will appear on the ballot.

WILLIAM A. DOHERTY

"I was on my motion picture school committee voted unanimously to adopt the new schedule for teachers and this into effect this year. Action came after several of long discussion of the during which the committee found some way of solving the problem by stretching the schedule over a two year period.

The new base salary scheduled increments are absolutely necessary to attract teachers. We cannot increase the pay of the younger teachers without increasing the older who have carried the years and who will guide the new ones. We eliminated all extra pay for work which could not be done following the schedule as adopted and still good morale in the school. I find that the adoption of the schedule to be effective has already proven its value to the general morale."

"2. Studies of the curriculum and the school system are good and obvious necessities. These are going on in one phase or another all the time. There is a chance for improvement must continuously strive for improvements."

"3. Having served on the school committee for the first 17 of those years, I am of the subcommittee of buildings and grounds when the large school was sub-divided into sub-schools. I have had a great experience with the upkeep of the school. I find that special committees appointed by the board are made up largely of parents."

2. How do you feel about proposed studies of curriculum and the school system as a whole? Do you think that there are improvements to be made?

4. Briefly, what in your opinion are the major problems facing the School Committee this year? Do you have suggestions for solving them?

Now here are the answers, as written by the candidates, and presented in the order in which the candidate will appear on the ballot.

WILLIAM A. DOHERTY

"1. It was on my motion that the school committee voted unanimously to adopt the new salary schedule for teachers and to put this into effect this year. This action came after several nights of long discussion of the subject during which the committee tried to find some way of solving the problem by stretching the increases over a two year period. The new base salary with the scheduled increments are absolutely necessary to attract young teachers. We cannot increase the pay of the younger teachers without increasing the older teachers who have carried the load for years and who will continue to guide the new ones. We have eliminated all extra pay for special work which could not be done without following the new schedule as adopted and still maintain good morale in the system. We find that the adoption of the new schedule to be effective in April has already proven itself a boon to the general morale.

"2. Studies of the curriculum and the school system as a whole are good and obviously very necessary. These are going on in the system in one phase or another all the time. There is always the chance for improvement and we must continuously strive to make improvements.

"3. Having served for 27 years on the school committee and the first 17 of those years as chairman of the sub committee on buildings and ground in the years when the large school board was sub-divided into sub-committees, I have had a great deal of experience with the upkeep and maintenance of school buildings. I find that special building committees appointed by a moderator are made up largely of men who

are good in their own field but lack school committee background. A building constructed with the view toward economy can prove very inadequate and costly to operate and maintain. There is no actual saving in cheap construction. The initial cost is not the final cost. It is spread over a period of 20 years on a bond issue. Those who advocate such construction lack the experience of paying for extensive repairs necessitated by cheap construction, excessive cost of heating and lighting which might be eliminated. The term 'Save the taxpayers money' is sometimes a lot of nice sounding talk. The 'Money saved' in the initial cost figures may be paid out many times over the years in the school department budget for the life of the building.

"4. The biggest problem facing the school department at this time is that of determining the course to be followed in the future building program. We have roughly 3000 pupils in the public school system with another 500 in the parochial school who must be absorbed at the high school level. Of these 3000, there are 2000 in the first six grades or the elementary schools, with the other 1000 in the junior and senior high schools. We are told that the town will double in population. This means at least a doubling of the school population and probably more, because families are no longer running one and two children but rather three and four in many cases five and six.

They will all come to the schools and they must be accepted. Places must be found for them. There is no other choice. If the population doubles it means 6000 in the public school system and 1000 in the parochial school, who must be absorbed.

"The only solution is three or more 20 room grade schools similar in size to the Central and South Elementary buildings, plus another big high school twice the size of the new high school on Shawsheen rd., the latter to be turned over to junior high use.

"These are the problems facing the School Committee and the town for the future. They must be faced intelligently and they must be solved. We must not fool ourselves that there is some easy way out. This matter calls for sound judgment and common sense."

MILTON J. MEYERS

"1. As a taxpayer, I am greatly disturbed by the increased cost of running the town government; however, I think it is essential to raise teachers' salaries if we expect our children to be educated in the best possible manner. I have

not had all the facts and I am not thoroughly acquainted with the details of the problem and, therefore, I cannot honestly say that I would have arrived at the same solution.

"2. I am convinced that study of curriculum is the School Committee's biggest job. Periodic studies are healthy and often lead to important improvements. The formation of committees of competent people to thoroughly investigate the need for changes is a forward step, but these committees should be assisted by professional people. The real challenge will be the execution of some of the recommendations by the School Committee.

"3. The demands on the School Committee's time in planning new buildings has been tremendous and they certainly should spend as little time as possible with the actual construction. The School Committee should be concerned with the need, location and planning — but the construction can be turned over to a building committee of experts. From all I have been able to learn, the arrangement voted by the town for the building of the new South School has worked effectively and might serve as a pattern for the future.

"4. The School Committee must meet the major problems year after year. The quality of education at all levels should be improved — not only in Andover, but all over the country. We must obtain the best possible teachers in competition with other communities and we must use our educational facilities to the best possible advantage. The School Committee must keep a constant watch over the accomplishments of our schools in every respect and as they affect every child."

DINO G. VALZ

"1. The money is not being distributed in such a way as to achieve the School Committee's objectives. See my 'letters' on this.

"2. Study of curriculum is long overdue and necessary. But it must be carefully thought out or nothing but chaos and confusion result from the study. Also, principals must not be the judges of their own work. There must be a limit to subjectivity! This is like asking a company treasurer to audit his own books.

"3. As stated in my letters, the School Committee has wasted much too much time on brick and mortar. Let experts handle this.

4. a. Promoting excellence among students and faculty; b. Making sure we do a good job in the basic studies; c. Acting as the representatives of the whole town."

SELECTMAN-ASSESSOR

Here are the questions asked of each candidate for Selectman and Assessor:

1. Do you think the jobs of assessor and selectman should be separated, with possibly one or more full-time assessors?

2. Do you feel the proposed wage scale for town employees is practical and should be adopted at town meeting?

3. Would you favor civil service for town employees?

4. What is your precise position on off-street parking in the downtown area?

5. Briefly, what do you believe are the major problems facing the town, over which the selectmen may have some direct or implied authority to act? Do you have any suggestions as to solutions? (The subjects of cooperative purchasing, joint meetings for cooperative action, industrial development or any other phase of town government might be included in this question).

And here are the answers of the candidates for Selectman-Assessor, printed in the same order the candidates will appear on the ballot:

SIDNEY P. WHITE

"1. The jobs are separate now and the voters are free to make any changes they think best at

any election time. We do have one full time professional assessor, approved some years ago by the town meeting. The elected Board of Assessors is guided by his recommendations.

"2. I most emphatically do. I (Continued on Page 12)

have followed the job of analysis, comparison, evaluation and establishment of a pay scale very closely this past year. I approve of it heartily, without reservations. I believe there will be a few wrinkles in the original set-up and more may come up as time goes on, but the plan has the most adequate machinery to iron out any grievances of any groups or individuals. Probably one of the best

results of the work will be the elimination of unnecessary competition among departments for salary increases and the establishing of pay rates on a town wide basis.

"3. I think that is something that should not be superimposed on an employee. I would be willing to listen to arguments for the move, but I would want it proved that the employee would be better off under civil service than in the current system of mutual respect, particularly since the organization of the current Employees Association has done and will do in the future such an excellent job of public relations between the voters and employees.

"4. I recognize that the municipal government has a responsibility

for the buildings and real estate it owns in the center of the town commensurate with that of private business and property owners. The town government cannot allow its own structures to look seedy and down at the heel. The influence of this will be felt in decreased business in the area, and general run down property values. Neither can the town government, by providing little or no off-street parking for those who do business in the public offices, monopolize those street parking spaces and cost the merchants a customer. But I cannot recommend the expenditure of public money to benefit private business alone in one area without being willing to do it for all private business in all areas of town. I can however, heartily endorse mutual cooperation between the town as a whole as property owners, and the individual private property owners, for the result would be a far more attractive town for all to enjoy, increased business for the individuals and consequently increased tax revenue for the public treasury.

"5. I like that word 'briefly'. I could write a book on the major problems facing the town right now. Well, 'briefly' I say number one is — how can we do the things we have to do without taxing ourselves right out of town. I would like to be able to tell you that I have a nice pat solution up my sleeve, and all you have to do is re-elect me. But you and I know it is not that easy.

"Our town is just like every family in our town, we have all got to increase our income to take care of increased expenses. In a family you can make ends meet one of several ways. You can work one person harder to increase one income, or you can put a second person to work and bring in two incomes. Compare that with town taxes — you can either carve more out of the present taxpayers, or bring in more taxpayers. The latter is fine — provided putting the second person to work does not boomerang and cause a major jump in expenses.

"You can take the third course. In a family a wage earner can improve the quality of his work so that his income increases without costing him all his time, and most of his health. In a town you can foster the businesses and industries already established, for their healthy growth means a larger tax contribution. (Few people realize that buying at home wherever possible has a very definite effect on their town's tax income.)

"By encouraging new industry, we have something to add to our taxpayers' dollars, and the burden becomes lighter. In recognition of the above the Board of Selectmen have already established an industrial development commission, consisting of nine men, who have been working very closely with industrial developers throughout the country.

"We have also recognized through experience, the tremendous value such meetings have permitted the town government to expand, and consolidate their thinking. This program I am sure will continue to be very effective.

"But both a family and a town knows that you must budget — not fritter; save — but not hoard; and make every dollar earn its keep.

LEE E. NOYES

"1. Yes.

"2. Yes.

"3. For policemen, firefighters and engineers, yes. For foremen and others, no.

"4. Off-street parking is badly needed but not at a large expense to the town.

"5. Cooperative purchasing — yes, through a purchasing agent; joint meetings for closer cooperation in all departments and the administration of the suggestions

brought forth from these meetings; industrial development is a must but we have many other problems which first must be corrected and improved, such as water, which industry must have; housing for industrial workers and sewerage."

ROY A. RUSSELL

"1. Separating the jobs of assessors and selectmen may be helpful at a future date but the present system seems to work satisfactorily. Hiring more assessors will mean more money and I am an advocate of strict economy.

"2. The committee which studied the wage scale did a good job. The town meeting is important to Andover. I would certainly be guided by its action if the wage scale is adopted at town meeting.

"3. Our police and fire departments now operate under civil service. As the town grows it might be advisable for us to broaden civil service. But people now employed by the town of Andover, if they are doing good work, should be allowed to keep their jobs and have future workers qualify under civil service if it is adopted.

"4. I believe that private enterprise, in cooperation with the town meeting and town officials, can help toward a solution of off-street parking. This is a problem everywhere. There is no one pat answer. It requires time, study, and patience.

"5. Andover needs to retain a healthy balance between residential and industrial properties. We should do more to attract light, clean, industries. The problems we have are not insurmountable. If I am elected selectman I plan to set up committees composed of men and women of Andover to study and advise the selectmen on our problems. We have business people, professional people and so many others who are ready to serve the town on unpaid committees. There is a whole reservoir of talent in Andover only waiting to be asked. There is no need for expensive out-of-town companies coming to Andover to tell us what we should do. Government is not static. It needs the close attention of people who are in a position to keep up with trends and changes. I think I can do some of these things for Andover and these are some of the reasons I said 'Yes' when my friends asked me to run for selectman."

Bay State Bank To Pay 75c Dividend

The directors of the Bay State Merchants National Bank have voted to pay a dividend of 75 cents a share on the 48,000 shares of outstanding capital stock. This is equivalent to a rate of \$3 a share on the 24,000 shares outstanding before the recent stock split and represents an increase of 50 cents a share on the old stock, on which the annual dividend rate was \$2.50 a share.

Will Speak On Memories Of Japan

The February meeting of the Women's Fellowship of Soap Church will be held tonight, Feb. 13, at 7:30 p.m. in the Fellowship Hall.

A bakery sale, refreshments and the meeting will be sponsored by the Ways and Means Committee headed by Mrs. George Schmidt. Miss Louise Sherman will speak on "Pictured Memories of the Land of Fuji-Yama". Following the business meeting, Mrs. G. Richard Abbott and Mrs. Harry Clough, assisted by Circle Six, will serve refreshments.

PLANS FOR FARM DEVELOPMENT FILED

Preliminary plans for development of the Wild Horse farm in West Andover have been filed with the Planning Board by developer Harry Axelrod.

The plan shows about 140 lots in the subdivision. Others shown on the plan, with frontages on accepted streets, are either already constructed or in the planning stage, but do not need approval from the Planning Board.

The plans are drawn according to present zoning — residential zone B. This area is one that the Planning Board has recommended be changed to a C — one acre lot — zone at the annual town meeting.

schools. It numbered 60 when it made its first appearance in the fall of 1940 at the Puncard-Anesbury football game and has grown in size since that time. Parents then furnished uniforms and instruments whenever possible and contributions were received from friends and parents making it possible to equip and outfit the band members.

Under the direction of Miss Joyce Mowat in 1957, the band appeared at a Boston University-sponsored event, when high school bands from many towns participated in a half-time ceremony. And before this trip, the band also took part in a competition among high school bands and was voted the best of the group.

COLLEGE BOARDS

College board examinations were held in Andover High School Feb. 8. Students taking achievement tests March 15 must make application for them by Feb. 15.

Members of the Junior Class who choose to take college board examinations will take them May 17.

Leaders Attended Training Institute

Members of the Andover Girls District and Leader-Sponsor Association attended the "Meet the People" Training Institute held in Boston and sponsored by the Council for Greater Boston Camp Fire.

The first workshop, which was devoted to the furtherance of the 1958 national project "Meet the People", also featured the presentations of the Candy Sale Citations for individual group and district citations. The Andover Council received a district citation as well as seven group citations for their efforts during the year which was held in Boston.

Mrs. M. Flaherty, Mrs. John L. Nelson, Mrs. Chester Kopatch and Mrs. Dan Scott attended the round tables for Blue Birds, which concentrated on puppetry, creative dramatics and rhythm band instruments.

Ideas for the national honor project were featured at the Camp Fire round tables attended by Mrs. Alex Blamire, Mrs. Donald Jones, Mrs. Melvin Walker, Mrs. Michael Pawlik and Mrs. Robert Foster.

Of particular interest to the members of the newly-formed District Committee was the second workshop, which explained the Council operations. Mrs. Martin Burns and Mrs. Webster Woodworth attended the Group Organization Committee meeting, at which Mrs. Woodworth served as the recorder.

The Adult Membership Committee meeting, which stressed increased service to the girls through adult membership, was attended by Mrs. Frank Santuccio, district chairman.

The Program Committee meeting, devoted to the understanding, organization and work of this particular group, was attended by Mrs. Angela Sapienza.

Mrs. Frederick Maxwell, Mrs. Gordon Lander, and Mrs. A. Morris Campbell attended the division on public relations.

At the luncheon meeting, the enterprise from Andover attracted many favorable comments and was prominently displayed on the head table. Mrs. Alex Blamire and Mrs. Sherman Carr were responsible for the centerpiece, which featured four dolls attractively dressed in Camp Fire outfits, complete even to the tiny "Honor beads" on their vests. The dolls demonstrated one way in which the Camp Fire Girls meet the people during the annual fund-raising candy sale.

During the luncheon meeting, Mrs. Blamire, Mrs. Campbell and Mrs. Burns received public recognition for continued service to the Camp Fire Program. Mrs. Blamire has completed three years; Mrs. Campbell, four years; and Mrs. Burns has completed a total of nine years of service.

Mrs. Santuccio, Mrs. Lander and Mrs. Campbell of the Andover District Committee supplied Andover's share of the refreshments served at the coffee hour preceding the workshops.

PROMOTED TO CAPT.

Norman M. Winter, assistant professor of air science at the Pennsylvania State University, has been promoted by the Air Force from 1st Lieutenant to Captain.

Capt. Winter is the son of Mr. and Mrs. John G. Winter Sr. of Lake Katonah, N.Y. and is married to the former Elizabeth Cronin of Andover.

Prior to his assignment with the Air Force ROTC detachment at Penn State, he was an instructor at the Instrument Pilot Instructor School at Moody Air Force Base, Ga. He is a graduate of Bowdoin College, Brunswick, Me.

This is the 72nd annual observance of the World Day of Prayer, when thousands of Christians around the world unite in services of prayer and thanksgiving.

The main speaker at the evening service is a native of England, coming to this country in 1928. He attended Gordon College; received his A.B. degree from Clark University in Worcester in 1953 and has studied at the Andover Newton Theological School and the Hartford Theological Seminary. Both Mr. and Mrs. Hayhow have been teaching at the Pastors and Teachers Training School and the Oa Christian Training School in Micronesia.

The adult Choir of the West Parish Church will sing, as an offertory anthem, the One Hundredth Psalm, by Gardner Evans.

Bridge Party Is Planned By Society

The Andover Society will sponsor a dessert bridge March 6 in the Andover Country Club.

Chairman of the active committee planning this annual event is Mrs. Robert J. Macartney.

A meeting of the Society was held Jan. 27 at the Andover Inn, with Mrs. J. Reynolds Farrington presiding.

Before the meeting, members had an opportunity to look through a scrapbook containing pictures and articles about the Society since its beginning in 1952.

ARTICLE 52. To see if the Town will vote to amend the Zoning By-Law by establishing Section VI A, PLANNED SHOPPING CENTER DISTRICTS as follows:

1. A PLANNED SHOPPING CENTER DISTRICT is a business district of five acres or more for the operation of two or more retail shopping uses, and for other appropriate uses, that a. requires a change in the boundaries of districts constituted under this by-law.

b. may be established in such a manner as to fit into the zoning pattern of this by-law, and c. will constitute a harmonious, integrated, and convenient shopping center.

2. Any amendment to this by-law through which a PLANNED SHOPPING CENTER DISTRICT is established at any town meeting after the current town meeting shall be enacted only after a site plan for said DISTRICT shall have been reviewed and given preliminary approval by the PLANNING BOARD of the Town of Andover. Any such enactment shall become effective only after the site plan has been given final approval by the Planning Board and has been recorded and filed with the Town Clerk. In reviewing the site plan, the Planning Board shall take into account the following considerations, and may call upon appropriate sources for advice and assistance related thereto:

a. Appropriateness in the placement of buildings on the land and in relation to one another.

b. Convenience and safety of vehicular and pedestrian movement on the site and on adjoining streets and properties.

c. Adequacy of the arrangement and, where not herein specified, the number of parking spaces in relation to the proposed use of the premises.

d. Harmonious relationship between the PLANNED SHOPPING CENTER DISTRICT and adjacent neighborhoods.

3. The site plan shall indicate the location of principal accessory buildings on the site, together with a description of their proposed use, the areas to be devoted to traffic circulation, the height and number of stories of all buildings and structures, the location of parking spaces and the total number of such spaces, the location of truck loading and unloading areas, and the location and type of announcement and advertising signs.

4. In a PLANNED SHOPPING CENTER DISTRICT, no new building or structure, and no alteration, enlargement or extension of an existing building or structure shall be designed, arranged or constructed, and no land, building, structure, or part thereof shall be used, except for one or more of the following purposes:

a. Establishment for the retail sale on the premises of unused merchandise.

b. Establishment for personal or consumer service.

c. Restaurant or other place for the sale and consumption on the premises of food.

d. Public, business, or professional office or bank.

e. Bus station, bus terminal, or railway station.

f. Filling station, subject to provision prescribed herein in SECTION XIV, and in SECTION XIII Article 3.

g. Commercial parking lot or parking garage.

h. Indoor amusement or recreation place or place of assembly.

i. Showroom, provided that storage is limited to floor samples.

j. Hotel or motel, subject to permission of the Board of Appeals and subject to such restrictions as said Board may impose.

k. General advertising sign of a non-flashing, non-illuminated type provided that such signs are on or attached flat against the wall of the building, and that the total area of all such signs does not exceed one square foot for every one hundred square feet of ground floor area of the building to which it is attached.

1. Any other business, institutional, or public use which is found by the Planning Board to be appropriate to the DISTRICT and similar in the effect on adjacent properties.

5. In a PLANNED SHOPPING CENTER DISTRICT:

a. The limit of height of buildings and structures shall be three stories or 40 feet, measured above the top of the basement.

b. All buildings and structures, parking spaces, and truck loading and unloading areas shall be at least thirty feet from any street line and at least fifty feet from any other property line adjacent to a SINGLE RESIDENCE, MULTIPLE RESIDENCE, or EDUCATIONAL DISTRICT.

c. All loading and unloading activities incidental to the normal operation of any establishment in the PLANNED SHOPPING CENTER DISTRICT shall be provided on the site outside of the required yard areas.

d. Paved parking space for automobiles shall be provided on the site in connection with any establishment or combination of establishments in the PLANNED CENTER DISTRICT, in conformity with the following provisions:

1. For business, 3 spaces for each 200 square feet of floor area or fraction thereof.

2. For a restaurant or other place serving food, or for an indoor amusement or recreation place or place of assembly, one space for each three seats, and/or for each 60 inches of permanent bench seating area, and/or for each fifteen square feet of area without permanent seating facilities devoted to the assembly of people.

3. For a hotel or motel, one space for each sleeping room.

4. For medical or dental office, six spaces for each doctor or dentist.

5. For a filling station, drive-in or self-service, or for any other use not specified herein, sufficient off-street parking spaces to accommodate the anticipated needs of patrons and employees without habitual use of streets.

e. The PLANNED SHOPPING CENTER DISTRICT shall be screened by means of densely planted trees, shrubs, or other suitable planting at least four feet in width and six feet in height adjacent to the boundary of a SINGLE RESIDENCE, MULTIPLE RESIDENCE, or EDUCATIONAL DISTRICT.

6. The establishment of a PLANNED SHOPPING CENTER DISTRICT for two years after the date of adoption without the issuance of a building permit for construction and without substantial construction in accordance with the approved site plan shall constitute cause for revocation of the permit. Such action shall be taken by the Building Inspector upon the request of the Planning Board, or without such request where the Building Inspector finds that there is an absence of intent to proceed with construction. Upon revocation of the permit the zoning classification of the area shall revert to the classification of the area in effect prior to the enactment of the PLANNED SHOPPING CENTER DISTRICT amendment to the By-Law.

Said parcel contains 16.13 Acres.

To see if the Town will vote to establish as a PLANNED SHOPPING CENTER DISTRICT the Industrial A Zone described as follows: land bounded westerly by Main Street, northwesterly by Shawshen River, northerly by the northerly limit of the present IA Zone, easterly by the Boston & Maine Railroad, southerly by Harding Street.

ARTICLE 54. To see if the Town will vote to establish as a PLANNED SHOPPING CENTER DISTRICT the Industrial A Zone described as follows: land bounded westerly by Main Street, northwesterly by Shawshen River, northerly by the northerly limit of the present IA Zone, easterly by the Boston & Maine Railroad, southerly by Harding Street.

ARTICLE 55. To see if the Town will vote to raise and appropriate the sum of \$20,000.00, for the continuation of improving the town office facilities in the Town House, and authorize the Board of Selectmen to call for bids and award contracts.

ARTICLE 56. To see if the Town will vote to change from Single Residence A District to Business District, the following described parcel of real estate:

Beginning at a point on the southerly side of Chestnut Street, which point is 222.41' northerly from Main Street; thence running northeasterly by the southerly line of Chestnut Street 201.24' to a drill hole at the southwesterly corner of said Chestnut Street and Bartlet Street; thence turning and running southeasterly by said Bartlet Street

80'; thence turning and running southwesterly by land now or formerly of Gilcrest 102.51'; thence turning and running again southeasterly by said land of Gilcrest 72.75 feet; thence turning and running again southwesterly by said land of Gilcrest and by land of Stuck; thence turning and running northwesterly by said land of Stuck 156.25' more or less to Chestnut Street and the point of beginning, on petition of Mary O. Mackintosh and others.

ARTICLE 57. To see if the Town will vote to amend Section IX of the Zoning By-Laws by adding to Paragraph 1 of said Section as most recently amended, the following:

"or if upon a proposed subdivision of a lot existing at the time this By-Law is adopted, each resulting lot will be as large in area as the largest lot fronting on the same street, and in the same block, and will have a frontage equal to that of the lot having the least frontage on the same street, and in the same block, at the time this By-Law is adopted,"

so that Paragraph 1 of Section IX will be as follows:

1. Land subdivided after the adoption of this By-Law shall provide in Zone A for lot frontages of not less than 115 feet and for lot areas of not less than 15,000 square feet which Zone is shown on zoning map of revised Residence Districts in the Town of Andover, Mass., January 20, 1955, on file with the Town Clerk, provided however, that the Board of Appeals may permit land to be subdivided with lot frontages and, or lot areas, less than said requirements if two or more dwellings are located on an existing lot at the time this By-Law is adopted or, if upon a proposed subdivision of a lot existing at the time this By-Law is adopted, each resulting lot will be as large in area as the largest lot fronting on the same street and in the same block, and will have a frontage equal to that of the lot having the least frontage on the same street and in the same block at the time this By-Law is adopted, on petition of Karl C. Killorin and others.

ARTICLE 58. To see if the Town will vote to amend Section IX of the Zoning By-Laws by adding to Paragraph 4 of said section as most recently amended, after the words: "existing lots" in the first sentence of said paragraph the words: "or lots resulting from approval of a subdivision of an existing lot by the Board of Appeals," so that said paragraph 4 will read as follows:

At each side of every dwelling there shall be a side yard not less than 15 feet in clear width, between the side of the house and the side lot line, except in specific cases when existing lots or lots resulting from approval of a subdivision of an existing lot by the Board of Appeals are less than the minimum width prescribed by this By-Law. In such cases a side yard not less than ten feet in width may be permitted by the Board of Appeals. On corner lots no part of any building shall extend within twenty feet of the street line, on petition of KARL C. KILLORIN and others.

ARTICLE 59. To see if the Town will vote to accept as a Public Way and name Arthur Road as approved by the Board of Survey, and laid out by the Board of Selectmen, as shown on plan No. 2548 recorded in the North Essex Registry of Deeds, filed with the Planning Board, and made by RALPH B. BHASSEUR, engineer, Haverhill, Massachusetts, a copy being on file in the Town Clerk's office, on petition of WILLIAM C. SCHMIDT and others.

ARTICLE 60. To see if the Town will vote to accept as a Public Way and name Lockway Road from Carmel Road northerly to Walnut Avenue as shown on a plan entitled Street Acceptance Plan made December 1952 by CLINTON F. GOODWIN, Engineer, Haverhill, Mass., as approved by the Board of Survey and laid out by the Board of Selectmen. Both the plan and the description referred to being on file at the Office of the Town Clerk, on petition of PHILLIPS B. MARSDEN, JR. and others.

ARTICLE 61. To see if the Town will vote to accept as a public way and name Howell Drive as approved by the Board of Survey, and shown on a plan entitled Subdivision and Acceptance Plan of Howell Drive dated May 1957, Andover Engineers Inc., Andover, Mass., Both plan and description referred to being on file at the Office of the Town Clerk, on petition of FRED E. CHREVER and others.

ARTICLE 62. To see if the Town will vote to accept as a public way, and name Karlton Circle, a way about 1440 feet long extending from the westerly end of Forbes Lane to a point about 150 feet from the easterly end of Forbes Lane; the said way being shown on a plan entitled "Subdivision Plan of Karlton Field" made by FRED W. Planning New PTA For Vale's South School

The regular monthly meeting of the Ballardvale PTA was held last Thursday evening, Feb. 6, in the Bradlee School with the president, James Gardner, presiding.

Mrs. Edward Ryan of Manchester was the guest speaker, using as her topic "Community Functions; PTA Progress; and Methods of forming a new PTA for the South School". Mrs. Ryan is vice president of the Massachusetts Parent Teacher Association.

William A. Doherty, Dino Valz and Dr. Milton Meyers, each gave a brief talk. They are all candidates for the school committee in the coming election.

A Founder's Day program was then presented. As Mrs. Henry Wrigley lighted the candles on the cake, Mr. Gardner read a Founder's Day salute from the main PTA office in Boston. Mrs. Harold Sheaff made and decorated the beautiful cake. Past presidents of the association attending the meeting were Mrs. George Brown, Mrs. James Schofield, Mrs. John Wilson, Mrs. Henry Meyers, Albert Warner, Mrs. Henry Wrigley and Mrs. James Letters.

During the short business meeting, the following committee was appointed to investigate the procedure for forming a new PTA for the new school: Miss Freda Bisbee, Mrs. O'Toole and the Rev. Ralph A. Rosenblad.

Refreshments were served by the fifth grade mothers.

The next meeting will have, as the guest speaker, Dr. James O'Shea of Lawrence.

OPEN MEETING BY WAGE BOARD

(Continued from Page One)

Hiring procedures and results will be improved, so persons can know what to expect and count on.

More facts available on which to base action on pay problems.

To Officials

To the town official and town department heads, the Wage Board sees these benefits:

Better planning and preparation of budgets possible.

Freed from unreasonable pressure for increases because the plan sets the program.

Personnel procedures will be helped as a result of the continuing job studies, establishment of town-wide policies, etc.

Will have benefit of being able to confer with the Wage Board on pays, jobs, etc., similar to activities of personnel department in industry.

To Employees

The report, in its third step, lists the benefits it believes accrue to the town employee under the proposal. They are:

They will know where they stand, protected against prejudice or favoritism, if such should ever exist.

Know what to expect financially; as much assurance as possible that they are being paid in proper relation to other town personnel and jobs outside the service of the town.

Assured that there is uniform and consistent treatment for all personnel throughout the departments.

Have an opportunity to take up pay or related problems with the Personnel Board.

MEMORIAL FLOWERS

The flowers on the Altar of the West Church last Sunday were the gift of Mr. and Mrs. Walter Reston, in memory of Mr. and Mrs. Robert Scobie.

Ambulance & Car Collide In Village

A No. Reading ambulance, carrying four seriously-injured victims of a two-car crash in No. Reading to the Lawrence General Hospital, itself collided with a car in Shawsheen sq. Saturday morning.

The ambulance was able to continue its trip, however.

Police Sgt. William R. Hickey said the ambulance, with its siren operating, had slowed down at Shawsheen sq. but continued on through the traffic lights. A car operated by Sidney Freedman, 7 Saltonstall Parkway, Salem, was heading out of Haverhill st. and was struck a glancing blow by the ambulance.

PROBATE COURT
Docket No. 27010

By virtue of the execution of the power of sale contained in a certain mortgage given by ALBERT ROYCE CONSTRUCTION COMPANY, INC. to ALEXANDER S. BEAL, JOSEPH GOODMAN and HARRY R. BAFFEL, as tenants in common, dated December 27, 1954 and recorded with North District Essex Deeds Book 807, Page 159, of which mortgage the undersigned is the present holder by virtue of an assignment dated October 24, 1957 and recorded in Book 863 Page 361, for breach of the conditions of the said mortgage and for the purpose of foreclosing the same will be sold at public auction at 10:00 A.M. on Saturday, March 1, 1958 on Lot 45 Alderbrook Road on the premises hereafter described in said mortgage, to wit:

All the land shown on a plan entitled "Alderbrook Estates in Andover, Mass. owned by Intercity Trust" dated May, 1921 by F.W. Huntington & Co., C.E.'s recorded in Essex North District Registry of Deeds as plan No. 422, excepting therefrom, however, lots 37, 74, 150, 151, 152, 153, 154, the greater part of lots 144 and 145, lot 1, the greater part of lot 2, lots 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, and lot 155, a strip of land seventeen (17) feet in width running northerly between lots 12 to 20 inclusive and lots 3 to 11 inclusive; excepting further that portion of Academy Road running westerly and thence northerly from Main Street to a point representing the northerly line of land formerly conveyed by the Andover Savings Bank to James Kearney et ux and further excluding a piece of land shown on said plan adjacent to Academy Road and included in said conveyance to Kearney, all of the foregoing exceptions being shown on said plan; excepting further lots 21 through 33 inclusive, 38 through 40 inclusive and 46 through 51 inclusive, all shown on a plan entitled "Subdivision and Acceptance Plan Alderbrook Road" dated January 17, 1947 by Clinton F. Goodwin, Engineer, and recorded in said Essex North District Deeds as plan No. 1699; further excepting two (2) lots of land shown as lots 41 and 141 on a plan entitled "Plan of Land in Andover, Massachusetts, as surveyed for J.H. Leathers" dated September, 1953 by Clinton F. Goodwin, Surveyor, and recorded in said Essex North District Deeds as plan No. 2139.

There is excepted from this mortgage lot 156 on a plan recorded in Essex North District Deeds as plan No. 3082 and lots 158 and 159 on a plan recorded in Essex North District Deeds as plan No. 3081.

Meaning and intending hereby to convey all of the land acquired by the Grantor by deed of Howard S. Cogswell of even date herewith and to be recorded herewith.

Upon request of the mortgagee, the mortgagees shall release from this mortgage any single lot or any parcel of two (2) lots having a frontage of not more than one hundred (100) feet as designated by the mortgagee upon payment by the mortgagee of the sum of Seven Hundred Dollars (\$700.00) for each of the first six (6) partial releases so requested. Thereafter, the mortgagees shall, upon request of the mortgagee, release from this mortgage any single lot or any parcel of two (2) lots having a frontage of not more than one hundred (100) feet upon payment by the mortgagee of the sum of Five Hundred Dollars (\$500.00) for each such release so requested.

Any payment made for any such release shall be credited as a payment on account of the installment due for the then current year on the note hereinabove referred to for which this mortgage is given as security.

Terms of Sale: Premises will be sold subject to any and all unpaid taxes, tax titles, municipal liens, assessments, easements and restrictions of record, if any. \$1,500.00 in cash, certified check or bank treasurer's check will be required as a deposit by the purchaser at the time and place of the sale, the balance within ten days after the date of the sale. Other terms will be announced at the sale.

HARRY GORDON, Esq., 31 State Street, Boston 9, Mass., Present holder of said mortgage, February 6, 13 and 20, 1958

MORTGAGEE'S SALE
OF REAL ESTATE

By virtue of the execution of the power of sale contained in a certain mortgage given by ALBERT ROYCE CONSTRUCTION COMPANY, INC. to ALEXANDER S. BEAL, JOSEPH GOODMAN and HARRY R. BAFFEL, as tenants in common, dated December 27, 1954 and recorded with North District Essex Deeds Book 807, Page 159, of which mortgage the undersigned is the present holder by virtue of an assignment dated October 24, 1957 and recorded in Book 863 Page 361, for breach of the conditions of the said mortgage and for the purpose of foreclosing the same will be sold at public auction at 10:00 A.M. on Saturday, March 1, 1958 on Lot 45 Alderbrook Road on the premises hereafter described in said mortgage, to wit:

All the land shown on a plan entitled "Alderbrook Estates in Andover, Mass. owned by Intercity Trust" dated May, 1921 by F.W. Huntington & Co., C.E.'s recorded in Essex North District Registry of Deeds as plan No. 422, excepting therefrom, however, lots 37, 74, 150, 151, 152, 153, 154, the greater part of lots 144 and 145, lot 1, the greater part of lot 2, lots 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, and lot 155, a strip of land seventeen (17) feet in width running northerly between lots 12 to 20 inclusive and lots 3 to 11 inclusive; excepting further that portion of Academy Road running westerly and thence northerly from Main Street to a point representing the northerly line of land formerly conveyed by the Andover Savings Bank to James Kearney et ux and further excluding a piece of land shown on said plan adjacent to Academy Road and included in said conveyance to Kearney, all of the foregoing exceptions being shown on said plan; excepting further lots 21 through 33 inclusive, 38 through 40 inclusive and 46 through 51 inclusive, all shown on a plan entitled "Subdivision and Acceptance Plan Alderbrook Road" dated January 17, 1947 by Clinton F. Goodwin, Engineer, and recorded in said Essex North District Deeds as plan No. 1699; further excepting two (2) lots of land shown as lots 41 and 141 on a plan entitled "Plan of Land in Andover, Massachusetts, as surveyed for J.H. Leathers" dated September, 1953 by Clinton F. Goodwin, Surveyor, and recorded in said Essex North District Deeds as plan No. 2139.

There is excepted from this mortgage lot 156 on a plan recorded in Essex North District Deeds as plan No. 3082 and lots 158 and 159 on a plan recorded in Essex North District Deeds as plan No. 3081.

Meaning and intending hereby to convey all of the land acquired by the Grantor by deed of Howard S. Cogswell of even date herewith and to be recorded herewith.

Upon request of the mortgagee, the mortgagees shall release from this mortgage any single lot or any parcel of two (2) lots having a frontage of not more than one hundred (100) feet as designated by the mortgagee upon payment by the mortgagee of the sum of Seven Hundred Dollars (\$700.00) for each of the first six (6) partial releases so requested. Thereafter, the mortgagees shall, upon request of the mortgagee, release from this mortgage any single lot or any parcel of two (2) lots having a frontage of not more than one hundred (100) feet upon payment by the mortgagee of the sum of Five Hundred Dollars (\$500.00) for each such release so requested.

Any payment made for any such release shall be credited as a payment on account of the installment due for the then current year on the note hereinabove referred to for which this mortgage is given as security.

Terms of Sale: Premises will be sold subject to any and all unpaid taxes, tax titles, municipal liens, assessments, easements and restrictions of record, if any. \$1,500.00 in cash, certified check or bank treasurer's check will be required as a deposit by the purchaser at the time and place of the sale, the balance within ten days after the date of the sale. Other terms will be announced at the sale.

HARRY GORDON, Esq., 31 State Street, Boston 9, Mass., Present holder of said mortgage, February 6, 13 and 20, 1958

Will Play Host To Student Councils

Student councils belonging to the Eastern Massachusetts Division will meet here April 12 for a day-long program.

Host at the spring meeting will be the Andover High School Student Council, which has long been a member of the Eastern Massachusetts Division, affiliated with the National Student Council.

The day's program includes two assemblies, discussion groups, a tour of the school and a dance in the late afternoon.

Committees headed by Student Council members have been busy planning the affair. Carol Winkley is chairman of the Correspondence Committee; Donald McAnern, Finance Committee; Carol Gesing, Entertainment; George Connors, Election; Betty Campbell, refreshment; Jimmy Clegg, Banquet Committee; Bob Mehlhouse, Registration; John Giovinco and James Bennett, Guides.

The program has been set up this way:

Starting at 9 a.m., registration and refreshments for students and teacher advisors; tour of the school and meeting of discussion leaders, 9:50 a.m.

General assembly in Auditorium, welcome by Pand Gesing, president; devotional exercises, introduction of guests - Lindsay J. March, headmaster and Edward I. Erickson, superintendent of schools, from 10:10 to 10:45;

Group discussion period, 11-11:45; group one, second discussion, 11:45 to 12:30, at the same time, group two will eat dinner in the cafeteria; from 12:30 to 1:15, group one will eat while group two holds its second discussion period;

A general assembly will follow in the Auditorium, from 1:30 to 3 p.m., including business session, reports from discussion groups, address and entertainment under the direction of Mrs. Barbara Wilson.

At 3, the High School Band will play for dancing in the gymnasium.

"Life With Father" Was Lecture Topic

The Rev. Robert W. Little, noted lecturer on such allied subjects as dating, preparation for courtship and marriage and family life, told an attentive audience of some 100 persons at a Newcomers supper meeting at the West Parish Church Monday evening, that parents should "develop inner strengths" show love within the family group and be firm in their dealings with their children.

He traced the breakdown of the prominence of the father in the home, the emancipation of women and the bewildering activities offered the present day adolescent, in his talk called "Life With Father Today".

The Rev. Mr. Little at one time

lived in Shawsheen Village and attended public schools here for a three year period. He graduated from Phillips Academy, Brown University and received his theological degree from Hartford Theological Seminary in 1935.

At the present time he is pastor of the First Congregational Church in Keene, N.H. He is acting secretary of the New Hampshire Conference Committee of Churches and Colleges and is registrar of the Cheshire Association of Congregational Churches.

Fr. Wenzel Has Begun Duties Here

The Rev. James A. Wenzel, O.S.A., has begun his duties as assistant at St. Augustine's Church.

Fr. Wenzel is the first Merrimack College student to be ordained to the priesthood. He succeeds the Rev. Henry B. Syvinski, P.S.A., who was recently transferred to Villanova University.

Fr. Wenzel is a native of Wakefield and studied for two years at Merrimack before transferring to Villanova. He later continued his studies for the priesthood in Washington, D.C.

He was ordained May 26, 1956, by the Most Rev. Richard J. Cushing, archbishop of Boston, in a ceremony at the Collegiate Church of Christ the Teacher at Merrimack College. It was the first ordination ever held at the Church.

Since his ordination, Fr. Wenzel has served at Villanova University. He began his duties here Jan. 28.

LaBrie Promoted By Info Agency

Lionel A. LaBrie, 36 Enmore st. has been promoted to the rank of FSS-7 in the Foreign Service of the U.S. Information Agency.

Mr. LaBrie, who joined the Agency in 1955, is stationed in Honolulu, Hawaii, as Foreign Service staff officer at the Honolulu Relay Base. He was among Agency employees recommended for higher status by four special promotion panels which have been studying qualifications and performance records for the past two months, it was announced by Agency Director George V. Allen.

The promotion notice was sent with Mr. Allen's "heartiest congratulations and personal recognition of the competent manner in which USIA personnel carry out their responsibilities throughout the world."

The Agency employs 1200 Americans overseas to carry out its mission of promoting a better understanding of United States policies and objectives, and to combat Communist anti-American propaganda.

Mr. LaBrie was News Director for the Springfield Broadcasting Company prior to joining the Agency. He served as assistant to the public affairs officer in Baghdad, Iraq, before he was assigned to his present post.
